Finance - We are a debt free, cash rich & profitable group. Our debt free policy ensures we are working for our customers, not for our financial backers. It enables us to make rapid investment decisions without the approval of a third party. Furthermore, we pay our suppliers in a timely manner so we buy better, allowing our customers to benefit from our Pan-European purchasing power.

Aim – To provide our customers with excellent service at a reasonable price. Our manufacturing team consists of highly trained professionals who fully understand the concept of service.
